Vianney Fund

Your gift helps us continue our tradition of providing quality Catholic education to more students. YOU MAKE A DIFFERENCE to the school and to students - past, present, and future.

St. John Vianney Regional School opened its doors on August 30, 2010 to students of three Catholic parishes of Allentown. Cathedral Church of St. Catharine of Siena, St. Francis of Assisi, and St. Paul have merged their schools to form a new Kindergarten through 8th Grade education center at 210 N. 18th Street.

St. John Vianney Regional School develops intellectually capable young people with creative minds, healthy bodies, and ethical spirits needed to contribute wisdom, compassion, understanding and leadership to a global society.

We are committed to sustaining a Catholic school in which individuals representing diverse cultures and experiences instruct one another in the meaning and value of community. Each student's self-esteem is fostered by positive relationships with fellow students and staff. We provide a Christian learning environment that strives for success—instilling in each child a desire to learn, to take appropriate risks, to accept challenges and the courage to act on their beliefs—within a safe, orderly, caring, and supportive atmosphere.

St. John Vianney Regional School relies on the dedicated and generous donors to help fund our scholarship program. The ***Vianney Fund*** supports the school and enriches our community by extending the opportunity for a Catholic education to children for whom it would not otherwise be possible, providing students the experience of learning from diversity and tolerance of others.

It is hard to overstate the importance of participation in the ***Vianney Fund***. Families come from a wide range of economic backgrounds. Every donation, no matter its size, contributes to the whole. Participation at any level demonstrates the strong commitment friends and neighborhood businesses have to St. John Vianney and its mission of “providing a quality Catholic education and developing young adults with emphasis on moral and religious values.”

We appreciate you taking the time to look over our enclosed ***Vianney Fund*** levels and consider being a part of the St. John Vianney Regional School's family of supporters.

Thank you and God bless,

Mrs. Robin Fredericks

SJV ANGEL

\$2,880

If you want to have a direct effect upon a child's life, you might consider becoming an "SJV Angel" of a student. We know that students' lives are changed forever by being in a Christ-centered learning environment; and they benefit every day by being in a school where it is nurturing, educationally enriching, and steeped in the traditions of our faith and the love of Christ. You can make that possible by sponsoring a student with a gift of tuition.

Your gift of \$2,880 to the *Vianney Fund* sponsors one student for a year and makes Catholic education possible.

Please consider becoming an SJV Angel today. In addition to receiving the same benefits as an SJV Friend,

SJV Angels will be recognized at the closing Mass of the school year in appreciation for their support of student(s) at St. John Vianney Regional School.
